

WAHOSA UPDATE

MONDAY MESSAGE

HOSA WEEK 2023

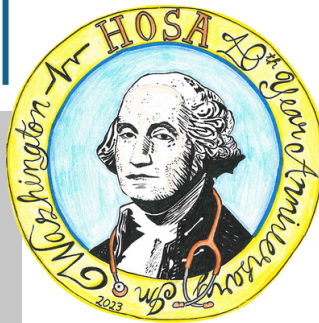

HOSA Week is the first full week of November (Nov. 6-10, 2023). This is a great opportunity to challenge your chapter to engage with their members and grow your local chapter. Be the Match Cheek Week with ideas about how to incorporate our service project into your HOSA Week! You can find information about that here: <https://www.bethematchhosa.org/cheekweek>

CHAPTER ENGAGEMENT RESOURCES

HOSA is putting out a series for chapters to utilize in order to increase chapter engagement! This series can be viewed on HOSA's Instagram for your students to learn more about and enjoy. You can view the first edition here: <https://bit.ly/3tGdKYh>

BECOME AN ALUMNI!

Are you interested in staying involved in HOSA after you graduate? You can! If you are a graduating senior, you can register to become a HOSA Alumni for FREE! Alumni are utilized to come and speak and judge at conferences to help future HOSA members succeed in their paths! You can learn more about HOSA's Alumni program here: <https://hosa.org/alumni/>

WASHINGTON HOSA STATE PIN DESIGN CONTEST

The pin design contest for Washington HOSA's annual pin is OPEN! Each year, a member of our organization creates a pin design that we are able to turn into a physical pin that is given out at SLC and represents Washington HOSA during the International Leadership Conference as our state pin design.

Applications for the pin design are open from now until December 1st, 2023 at 11:59 PM PST. Instructions on what we are looking for can be found here: <https://bit.ly/3PISetl>

Each member can submit up to one design. Please keep the number of colors to a maximum of 4 in order to reduce the overall cost of the pins.

HOSA DIGITAL UPLOAD SYSTEM

For anyone who was frustrated using Tallo last year, I am here to provide some good news - the HOSA Digital Upload System will be replacing Tallo moving forward! Not only will the new system integrate into the registration system, but ALL students can utilize it, including our Middle School members.

Competition Material Uploads are now easier than ever and we encourage all our members and advisors to learn more about these updates on the HOSA Website here:

<https://hosa.org/competitive-event-digital-uploads/>

The list of competitions that will utilize this system are listed below.

Clinical Specialty
Community Awareness
Emotional Well-Being Challenge
Family Medicine Physician
Health Career Photography
Health Education

Interviewing Skills
Job Seeking Skills
Mental Health Promotion
MRC Partnership
Public Service Announcement
Researched Persuasive Writing and Speaking
Research Poster
