## HOSA SPOTLIGHT

Have you heard about the HOSA Spotlight? This is an initiative by HOSA-Future Health Professionals to bring attention to the great work that chapters, members, advisors, and associations are doing as part of their HOSA year.

I know that Washington HOSA does some amazing work and has some amazing advisors and students, so I hope to see submissions sent in to HOSA from our great state.

These spotlights will be incorporated into future spotlight articles and posts by International HOSA. They are so excited to feature your spotlights on our social media platforms & celebrate our amazing HOSA members!

You can submit for this spotlight by going to HOSA's Linktree: <https://linktr.ee/hosafhp> and clicking on the "Spotlight Submission Form".

If you submit, please share it with us by contacting WAHOSA at [officers@wahosa.org](mailto:officers@wahosa.org).

## WAHOSA PIN DESIGN CONTEST

The pin design contest for Washington HOSA's annual pin is OPEN! Each year, a member of our organization creates a pin design that we are able to turn into a physical pin that is given out at SLC and represents Washington HOSA during the International Leadership Conference as our state pin design.

Applications for the pin design are open from now until December 1st, 2023 at 11:59 PM PST. Instructions on what we are looking for can be found here: <https://bit.ly/3PISetl>

Each member can submit up to one design. Please keep the number of colors to a maximum of 4 in order to reduce the overall cost of the pins.
