

HOSA FLC
Advisors Session:

Saraya's Notes:

WAHOSA State Leadership Conference in March will be **VIRTUAL**:

- There will be additional modifications beyond those used at Virtual ILC 2020.
- We will have a summary of WA HOSA modifications and a WAHOSA SLC overview available at the Nov. 18th Advisor Chat. Then they will be emailed out to advisors (with clarification that is brought up on the 18th).
- We will work to ensure our modifications align with HOSA Inc, so students that advance to the HOSA International Leadership Conference can transition to the conference with confidence.

Yes, There is concern some will think the pages above are for this year. It is just a place to start. We will send out all changes and they will be posted on the WA HOSA Website.
