Anatomage® TOURNAMENT

Join us for an Anatomy Tournament hosted by HOSA & Anatomage

The Anatomage Tournament is an engaging, team-based anatomy competition that challenges students to identify and understand anatomical structures while getting hands-on experience with our Anatomage Table 3D technology.

Team-based competition:

- Maximum 3-4 students per team, no exceptions
- Top 2 teams compete in Championships
- Top 4 teams qualify to compete in the National Anatomage Tournament!

Anatomical Systems

- Skeletal System (Bones, bony landmarks, and ligaments)
- Muscular System
- Digestive System
- Respiratory System
- Urinary System
- Endocrine/Exocrine System
- Cardiovascular System (Heart and major blood vessels)
- Nervous System (Brain, spinal cord, and major nerves)

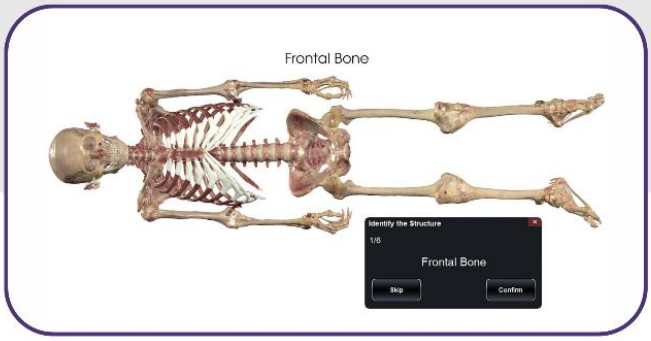
Anatomage® TOURNAMENT

What to Expect

Each team will register for a 20-minute time slot in the Tournament Preliminary Round where they will:

- Receive an introduction to the Anatomage Table
- Take practice quizzes to become familiar with Table Quiz functions
- Complete Tournament Round Quiz by identifying anatomy structures by name and identifying anatomy structures by their main description/function.



How to Prepare

- We recommend studying anatomy using a method that works best for you including apps, models, or with Anatomage Technologies. You will be tested using a real, authentic cadaver from the Anatomage Table.
- Instructors can request access to Anatomage Lessons, which uses the same cadavers featured in the Tournament.
- Anatomage Lessons provides students access to 2 cadavers as well as videos and exploratory exercises. Instructors can contact Lessons@anatomage.com to claim free access to Anatomage Lessons to aid in studying anatomy.
